Heene Church of England (Aided) Primary School

Mrs Julia Sherlock and Miss Joy Waelend

Friday 24th June 2022

Dear Parents and Carers,

What a fabulous week we have had here at Heene, with wonderful success for our Key Stage 2 children at the Legacy Games. You will find some photos and the report about this success, towards the end of the Newsletter. The children were amazing and performed so well, winning some of the competitions in which they were involved.

New teacher news next week:

On Friday next week we will be letting you know who your child's new teacher will be from September 2022. Some of you are already aware of this because of Miss Lester and Mr Christmas moving up with their children. For the remainder of children moving into new Year 1,2,3,4,5 and 6, we will let you know next week who your child's class teacher will be. They will all then have a chance to meet their new teachers, in their new classrooms on Wednesday 6th July. This will be in readiness for the school reports coming to you on Friday 8th July.

Our OfSTED Report:

I am pleased to say that after a considerable wait, our April OfSTED report will be sent to parents on Wednesday 29th June. We would like to invite parents into school to find out more about the report and the actions the school has already taken to address the issues which the inspectors identified and raised with us.

We would like to invite you into school on Monday 4th July at 6.30pm. We look forward to welcoming you to that meeting where representatives from the Local Authority will also join us.

Pupils of the week:

This week we have asked the teachers to focus their attention on the children who have made the most improvement in their work this term. Those whose books show the most difference with how they were working to how they are working now. Again, two children can be nominated for these awards. Well done to all our winners.
