

Subject: PE Topic: Invasion Games Year Group: Year 6

What I should already know:

- Play games demonstrating accuracy of skills to control, dribble and pass the ball
- Find ways of attacking successfully and communicate as a team to keep possession of the ball
- Intercept the ball
- Make space in order to pass/set up goal scoring opportunities
- Know the rules of games and play games fairly
- Understand the need for attack and defence

Vocabulary:

Hockey, hand position, stick, flat side, dribble, trap, stop, push pass, target, aim, shoot, accuracy, power, direction, space, opposition, attack, defend, intercept, mark, decision making, create opportunities, make/deny progress, maintain/gain possession, closing down, tackle (safety), foot rule, outwit opponent, dodge, move into space, push ins, maintain control, goal scoring, defending goal.

What I will know by the end of the unit:

- Develop techniques for defending
- Select and apply tactics for attack and defence
- Select and apply skills for practises and games showing consistency and accuracy
- Organise themselves as a team and follow game rules
- Evaluate the effectiveness of their own and others games play and suggest ways of improving to be successful

Activities I can take part in to achieve my objectives:

- Independent, paired and small group practices for dribbling, passing, receiving and shooting
- Small sided games/practises focusing on attack/defence skills (dodging, marking, intercepting etc.)
- Teaching foot rule and what happens if ball goes out of play
- Introduce tackling and safety aspects relating to this
- Play 5v5 games applying rules, tactics and skills
- Evaluate successes and areas for improvement making suggestions
