Dear Parents & Carers

12th October 2018

School Uniform

After half term we are changing the arrangements for purchasing school uniform. From 29th October all uniform will be sold on our behalf by Broadwater Sports, from their shop in Broadwater and online at <http://www.schooljumpers.co.uk/>

We have made this change to provide you with a wider choice of buying options and access to shopping when the school is closed. We have also been aware that buying uniform from the school has created a bottleneck at the office making it difficult to speak to our office staff about other issues.

The uniform itself is unchanged and items without the school badge can still be purchased at any retailer. We approached several local suppliers for prices and found Broadwater Sports to be the most competitive and we wanted to ensure the new supplier had a shop within walking distance of the school.

I have enclosed details of all of the buying options available along with a reminder of our school uniform requirements, this information is also on our website.

If you have an order waiting to be fulfilled by school, these have been passed onto Broadwater Sports and there should be sufficient stock ordered to purchase any outstanding items in the store. Please call them to check availability or if you prefer to order online use the link above. Apologies for the inconvenience this delay may have caused, stock will be available to purchase at Broadwater Sports from 29th October.

I am sure you will find that these new arrangements provide an option that suits the way you prefer to buy.

Yours sincerely

Mrs Jo MacGovern
Headteacher

We would ask that you ensure items you have ordered are collected promptly from the office because we have limited storage space.
