

Subject: PE **Topic:** Ball Handling **Year Group:** Year 6

What I should already know:

- To demonstrate accuracy and consistency when passing, dribbling, receiving and shooting
- Understand footwork rules in netball and basketball applying these in their play
- Select appropriate passes showing understanding of which is best/when and make decisions quickly
- Play modified versions of games leading to full play using positions and understanding which are attack/defence
- Dodge to get free with increasing success, signalling for the ball and creating space to progress up the court
- Apply defensive skills of marking and intercepting in games situations
- Learn correct shooting techniques
- Evaluate their own and others performances making suggestions for improvement

Vocabulary:

Tag Rugby, ball handling, carry, pass backwards, catch, hand position (w), support player with ball, direction, dodge, agility, footwork, place down, try, spatial awareness, move into space, attack, defend, tag, rules, position, balance, coordination, staggered line, formation, target, scoring.

What I will know by the end of the unit:

- To pass, carry and score tries using balance, agility and coordination
- Understand and apply basic rules of tag rugby in games situations
- Work as a team to support the player with the ball and to defend effectively
- To play small sided games of tag rugby applying skills and tactics learnt
- Identify strengths and areas for improvement when working in teams

Activities I can take part in to achieve my objectives:

- Tag games and teaching of tagging rules
- Carrying and passing practices in pairs/small groups
- Supporting the player with the ball activities/practices
- End zone games practising tries in small groups
- Dodging and footwork practises
- Tag rugby games playing by rules and applying skills/tactics
- Evaluating successes of games play and suggesting ways of improving success
