

Subject: PE Topic: Group Games Year Group: Year 2

What I should already know:

- show awareness of space and others
- roll, kick, throw, catch, aim and dribble with greater control
- work with others in pairs and small groups
- make choices about equipment, targets and space

Vocabulary:

Chest pass, roll, kick, keep ball, space, decision making, hit, throw, catch, send, receive, partner, group, dribble, score, rules, team, 2v2, 3v1 etc, attack, defend.

What I will know by the end of the unit:

- Know how to defend a goal
- Work as part of a team
- Know rules for games
- Invent own rules for own games
- Play in different sized groups/teams
- Use skills successfully from previous games learning

Activities I can take part in to achieve my objectives:

- Games involving – dribbling, kicking, striking, aiming, passing etc
- Keep ball
- Hand tennis/volleyball
- Hoop games
- Football
- Any previous ideas from games units that could be developed further – the purpose is to introduce children to very small versions of games and rules/scoring.
