

Subject: PE Topic: Racket Skills Year Group: Year 2

What I should already know:

- To steer a ball using a bat
- To send and stop a ball using a bat
- Balance a ball on a bat
- Strike a ball using a bat
- Score a goal or aim at a target
- To retrieve or catch a ball that has been hit
- Understand safety rules when using bats and balls

Vocabulary:

Racket, target, underarm, bounce, roll, feed, hit, grip, rally, throw, catch, balance, aim, guide, drop, score, over, space, cooperate, compete.

What I will know by the end of the unit:

- Roll, throw, strike and catch a ball with control
- Aim into a range of targets
- Play games over a net
- Work cooperatively with a partner
- Use simple tactics to make it difficult for my opponent
- Know how to score and keep rules of games
- Recognise good quality in performance
- Understand the difference between competitive and cooperative play

Activities I can take part in to achieve my objectives:

- Throw, catch and aim over a net
- Dribble, steer and balance a ball/beanbag with a racket
- Bouncing with racket up and down
- Pair work – one feeder, one hitter
- Aiming for targets
- Rallying – cooperative play
- Competition
