Positive Behaviours and Learning

To help us to behave positively, adults will:

Remind us of the expectations.

**Give us a clear warning and talk to us at playtime.
We may be sent to work in a different space.**

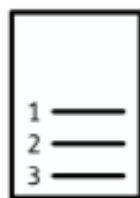

**Support us to complete a reparation task
during our playtime and speak to our parents.**

**Ask a member of the Senior Leadership
Team to speak to us.**

**Send us to work in a different space as an
internal exclusion.**

Put a Positive Behaviour Plan in place

**If our behaviour
remains negative,
we may be given
an external
exclusion.**

**How have you been kind
and brave today?**

**Have you been your
best?**
