

Can you make art out of nature?

Year 1 Autumn Term

What I should already know...

- How to make 3D models from junk.
- How to join things together to make a shape or an object.

Key Vocabulary	Definition
Sculpture	A sculpture is a piece of art made in 3D. Sculptors do this in 4 ways: carving, modelling, casting (using a mould) constructing.
3D	An object which is not flat (2D), it has height, length & width (3D).
Natural Materials	These are things that are found in nature like wood, stones, leaves and sand
Constructing	To build or make something.

Andy Goldsworthy Natural Sculptures

What I will know by the end of this unit...

- What 3 dimensional (3D) is.
- How to join materials together to make a sculpture.
- What a sculpture is and the different materials they can be made from e.g. clay, metal, natural materials.
- About the artist Andy Goldsworthy and his artwork.

What I will have created by the end of this unit...

- My very own sculpture in the style of Andy Goldsworthy.

Andy Goldsworthy

- Andy was born in Cheshire, which is in England in 1956.
- Andy studied fine art at college.
- Andy is a British sculptor, land artist, and photographer.
- Andy is known for art made outdoors from natural materials.
- Andy now lives in Scotland.
